

Third International Conference on Multidisciplinary Design Optimization and Applications

21-23 June 2010
Paris- France

<http://www.asmdo.com/conference2010>

Organized by :

Call for Papers

Papers are invited on the topics outlined and others falling within the scope of the conference. Abstracts of no more than **300 words** should be submitted *as soon as possible*. Abstracts should clearly state the purpose, results and conclusion of what will be presented. Conference working language will be **English**. There will be **mini-exhibition** spaces available for organisations wishing to exhibit hardware, software, products, services and literature related to the themes of the conference. Also, persons wishing to organise a **Mini-symposium** consisting of one or more technical sessions are solicited. Each session contains five 20 minute slots.

Articles presented in the ASMDO conference are also illegible for publication in special issues.
